Subject: Topics I need to touch base with you on

Hi Brent,

I just left you a voicemail, but I was hoping to touch base with you on the following things if you have a moment today:

- Termination of Cannon AFB's permit and Mora Hatchery
- Translation of public notices for permits and NMED's new public notice policies
- Could we schedule a permits meeting? (We used to have them quarterly.)
- sMS4 issuance and Nelly's travel – are we still looking at the week of March
- Any updates on LANL IP or MS4
- Permit PN notifications prior to posting
- Update on LANL Outfall 051 hearing
- Ruidoso hearing update and settlement discussions
- NMIP – NMED is working on suggestions to this document – is there a date you need our suggestions?
